(30)

II-1) The poet is sensitive to the changes in the nation's psyche. The sonnet reflects the poet's helplessness to correct the imbalance between the spiritual and material, nature and economy. (16)

2) main idea: People are no longer in touch with nature. (5)

3- Wordsworth's conception of nature. (9)

- the great teacher of happiness? In nature resides God. (3)

God does not have a distinct personality (a pantheist view) (3)

III (40)

1- heroic couplet (5) 2- the main idea of the stanza (5)

3- Social satire (5) (Biblical figures)

4- Artificiality of language with examples (5)

5- Universality of subject with explanation (5)

6- Logical argument (following the laws of nature) (5)

7- Figures of speech with examples (5)

8- Didacticism (the message delivered in the poem) (5)

IV (30)

I = Mock-epic: It has all the element of the epic like length, (10) characters and action, except the serious subject.

It is written about a trivial subject with an elevated style.

- Decorum: A literary propriety or tact; the doctrine is adopted by neo-classical poets to refer to the harmony between the subject and the language. (10)

- Elegy is a meditative poem which talks about serious subjects like death or war. It is sorrowful and sad.
