- Imagism is used to describe a whole poem or play. Successful image works so concretely and directly upon our consciousness that brings to the mind the whole complexity of feelings.
- the idea of Carpe diem or seize the day / love for adventure and certainty of the shortness of life
- disappointment with the world which is full of distress. It implies that gods are unjust.

السؤال الثاني 35 درجة . لكل فكرة 5 درجات
17 فكرة

- Disappointment with the modern world and modern generation
- Nostalgia to the past days of glory, culture and religion in Byzantium
- Estrangement: the poet doesn't feel like his city and his people. He feels estranged
